Brompton Luggage: Brompton Saddle Pouch - Turkish Green

The pouch is constructed from the same durable Cordura fabric as our C and S Bags, and features a reliable Velcro opening. It also attaches to your Brompton or Brooks saddle with two Velcro straps, allowing for quick removal without interfering with the fold.

Just like the C and S Bags, the pouch comes in a range of colours to complement your bike, your other luggage and your own look – from bright and bold to simple and subtle, there's something for every style.
