Description

Description

Versatile and compact, the Roll Top bag is a stylish about-town bag for everyday use. The clever roll top closure allows you to adjust the capacity of the bag depending on your needs. Whether you're carrying only the essentials or heading back from the shops, the front adjustable strap keeps things neat and secure while you ride.

Other thoughtful features include a quick-adjust shoulder strap for an easy transition between riding and carrying, as well a travel card pocket on the base to make getting on other forms of transport simple. There's also an internal zip pocket to keep things like your phone and keys handy and a handle for easy removal from your bike.

New for 2016, the Roll Top Bag is available in two distinct finishes:

- The Black and Lime Green model is constructed from a heavy-duty nylon fabric in a modern three-tone colourway.
- The khaki waxed cotton model is constructed from a durable waxed cotton fabric, which provides a highly water resistant barrier whilst being resilient to the impacts of daily use. The bag is finished with genuine leather trim and antique brass hardware for a understated and classic look.
