Description

The Comfort Cruiser is the original Pedego. It's been turning heads and making people smile for ten years running. [Overview](#)

Made for You

The first thing you notice when you ride an Comfort Cruiser is how comfortable you feel. You'll swear it was made just for you – because it was! The most important part of any Pedego is the person riding it, and the Comfort Cruiser is built with only one thing in mind: YOU.

User-Friendly

The Comfort Cruiser is fully loaded with user-friendly features that make riding even more fun. From the simple pleasure of a built-in bell, to innovative Smart Bike Technology including a bluetooth connected smartphone app; we've thought of everything!

Breathtaking Performance

What really sets the Comfort Cruiser apart is it's supercharged performance. It's recognized worldwide as one of the most powerful electric bikes on the market, and it's just plain fun and exciting to ride.

Battery and Motor

A state-of-the-art 36 Volt battery uses the same advanced lithium-ion cells as an electric car. It weighs less than a housecat and can take you up to 45 miles on about 10 cents worth of electricity.

A whisper quiet, 500 watt motor delivers best in class acceleration and hill climbing. The sensation of power it gives you is exhilarating.
