Description

- Description

Description

The Pedego Stretch is the electric bike that delivers the goods (literally) — empowering you to haul people and stuff with ease!

Special Features

- Side racks can be moved from top to bottom
- The back rack can be turned over to accommodate different kinds of cargo.
- The front rack is attached directly to the frame so it doesn't move with the handlebars
- Special rails hold most standard pannier bags
- Protective wheelskirts to keep fingers and toes out of harms way

Comfortable

- A deluxe saddle with a suspension seat post that provides extra cushioning where it matters most
- A quick release handlebar stem that allows you to easily make adjustments for a perfect fit
- Traditional city style handlebars feel natural and familiar
- Extra wide tires for a nice, smooth ride

User Friendly

- Five levels of pedal assist mode for a more natural riding experience
- LCD display with USB charging port for your phone and other devices
- Front and rear lights for your safety
- Fenders and a chainguard to help keep you clean and dry

Pedego Features

- State-of-the-art geared motor delivers best in class acceleration and hill climbing
- Lightweight, long lasting lithium battery with Samsung cells and an industry-leading three year limited warranty
- Top of the line SRAM disc brakes for powerful and reliable braking
- Twist-and-go throttle for full power on demand
- Shimano seven-speed for easy pedaling
- Self-sealing tubes help prevent flats
